The Mammoth Sale of Women's Shoes and Oxford Ties from the J. J. Fontius Stock Begins Here To-day.

The original purchase amounted to \$25,000.00; Men's and Boys' Shoes are already on sale; the sale of Women's Shoes begins to-day, and the Children's Shoes will follow as soon as we can arrange the stock and can spare the selling space. Remember, this was a complete Shoe Store, every dollar's worth of which we have purchased, and every pair being now under our roof. Too much cannot be said about these high grade Shoes, of such celebrated makes as Laird, Schober & Co., Harry H. Gray's Sons and Krohn, Fetcheimer & Co. The styles are the latest made, in fact so few shop-worn goods are to be found in the lot that we have decided not to mar the newness with them, so the prices quoted are for strictly new, stylish Shoes, complete in sizes and widths. No such offerings have ever been made here in completeness of sizes, high standard of goods offered and the extremely low prices. Every pair of Shoes in this sale is backed by the same guarantee that goes with our regular stock goods. Don't miss this mammoth sale and don't hesitate to buy as many as you will need for some time to come, for we see no radical changes in styles in sight, and Shoe prices are steadily advancing.
